**RAPORTUL COMISIEI DE ABILITARE
REPORT OF HABILITATION COMMISSION
din data de / date 02.03.2018**

NUMELE și Prenumele candidatului (*NAME and First name of candidate*): Coman Simona Margareta

Titlu tezei de abilitare / direcțiile principale de cercetare (*title of Habilitation thesis / main research directions*):

Heterogenous Catalysis – a Pillar of the Green Chemistry and Sustainable Development.

Domeniul de studii universitare de doctorat (*Domain of Doctoral Studies*) Chimie

(în care urmează să se confere calitatea de conducător de doctorat / *in which the Habilitation is to be awarded*)

Denumirea **Instituției Organizatoare de Studii Universitare de Doctorat (IOSUD) / Instituției Organizatoare de Doctorat (IOD)** unde are loc susținerea publică a tezei de abilitare (*Name of the Institute for Doctoral Studies (IOSUD) / Doctorate Institution (IOD) where public defense took place*)

Universitatea din Bucuresti, Scoala Doctorala de Chimie

Punctele tari ale tezei de abilitare (*Strengths of the Habilitation thesis*):

1. A clear and well structured work and presentation
2. The high quality results are validated in very good publications in journals situated in the first line of the diffusion of scientific information

It is not the case.

Rezultatul votului / observații / concluziile comisiei de abilitare se motivează în continuare:

(*The outcome of the vote / comments / conclusions of the Habilitation commission are further motivated:*

The work of Prof. Dr. Simona Margareta Coman was carried out in a field of high scientific interest, being focused on the heterogeneous catalysis and its applications in green chemistry and clean synthesis of biologically active compounds. The research work is of very high quality, the presentation was very good and the answers to the questions were clear and well supported. As a conclusion the jury decided to award the habilitation degree to the candidate Prof. Dr. Simona Margareta Coman.
